Vinyl Liners Pools.

The Vinyl Liner swimming pool is Crystal's "Signature Pool", we have been installing and maintaining them for over 40 years!.

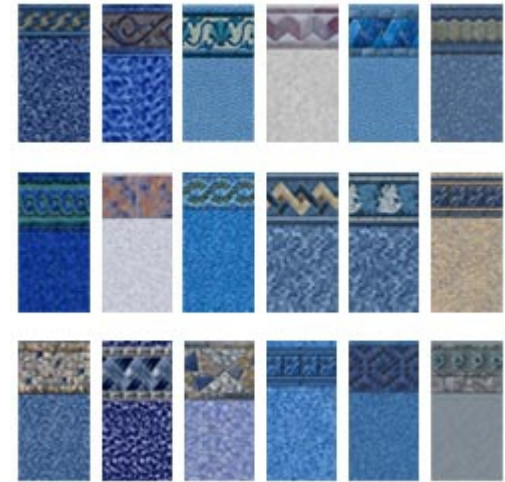

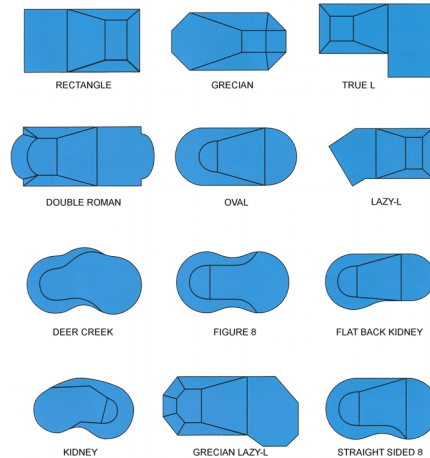

Please take a look at some of the multiple benefits of owning a Vinyl Liner Pool.

- A vinyl liner pool offers the most value for your dollar
- Vinyl liner pools are easy to maintain

- Over 70% of swimming pools in New England are vinyl liner pools
- Vinyl liners come in a wide variety of prints and designs and are available from multiple vendors

- A reinforced concrete structure, powdered in an aluminum forming system is then covered with a foam pad to ensure comfort. The vinyl liner is then installed to ensure a long lasting, durable finish
- Crystal's vinyl liner pool is constructed with a 48" wall compared to our competitors 42" wall.
- We offer a wide variety of forms which allows our customer greater flexibility in determining the shape of their pool.

- All this enables us to custom design your swimming pool to ensure your family's enjoyment for many years to come!
