The Professionals for your Pool & Hot Tub

“ what our customers say ”

"Great experience overall. From the friendly office staff to the knowledgeable field service support Crystal really excels. They have made owning a pool easy and enjoyable for us year after year" - **Kingston**

"I had my fiberglass pool installed in 2004. Joe is extremely knowledgeable and helpful in making decisions for what is best for a yard. He helped turn my backyard into a great entertainment area which my family and friends have since enjoyed. Crystal is reliable and efficient when it comes to the openings, closings and care of my pool. Highly recommended to anyone thinking about installing a pool! " - **Scituate**

"The staff at Crystal is excellent. They helped me clear my pool quickly with water testing at their store. They found the problem right away and fixed it!" - **Kevin in Weymouth**

"Great customer support and service. I've been a customer for 15 years!" - **Pembroke**

"If you want friendly, knowledgeable people to work with, Crystal is the best place for you!" - **Hanson**

"Thank you for making installing a pool such a smooth process for us!" - **Kingston**

"The results of our pool were better than we imagined! Thank you" - **Hanover**

"The team that installed my liner was very professional. It came out looking great and was done quickly. They left my yard very clean and my pool crystal clear!" - **Abington**

"The experience and expertise were impressive. The sales, service and store staff were professional and courteous in helping me with my pool" - **Hanover**

"Very quick to respond when I had any questions or needed any service. Reliable with great staff!" - **Kingston**
