ALL GOLD COAST FLOOR LINER

ISLAND GRANITE LINER

Our liners are custom designed to provide the best fit and durability. Our designs are specific to your pool and do not rely on extreme stretch to fit. Each liner is CAD-designed and custom manufactured to accommodate steps, angles, objects, and unique configurations.

Know where your vinyl comes from.
All Merlin liners are manufactured from
100% North American virgin vinyl.

All of our vinyl liner patterns come from suppliers located in the United States or Canada. We refuse to import low-cost vinyl from countries whose formulation and quality standards are not regulated like North America's. We can ensure that high quality standards are followed in our vinyl production, compared to companies that rely on cheap off-shore manufacturers.

Merlin even has
your seams covered!

Our Silk Seam process creates a flatter seam that is easy on your feet and is less likely to catch debris!

Tex-Step Textured Vinyl*

Tex-Step textured vinyl is a great addition to your pool steps and benches.

Merlin offers over two dozen textured vinyl patterns to coordinate with your pool bottom choice.

Textured vinyl provides better slip resistance than standard vinyl & helps make your pool safer for kids, friends and summer fun.
